Mmm

FO&O

Mmm...

You see me bouncing off the wall in my snapback,
Making noise gon' send a little snapchat,
Going 80 HD up in this,
And the party don't stop,
We're in this.

'Cos we got the system that make your body go "boom!",
You ain't gotta get the hell outta here, I'm not cute.
You ain't gotta get the hell outta here, the boom to,
And all your friends can stay too.

Mmm...
We gon' live it up
Yeah, that what's up
Mmm...
We gon' live it up
Yeah, that what's up

Don't matter how you wanna do it,
Don't mind if you're looking stupid,
All you gotta do is get into it.
Mmm...

So what if you're looking dumb, dumb,
You know tomorrow will all be gone,
But now ain't nobody going home.
Mmm...

It's getting crowded up in here,
That's my ass off,
See they're looking at me, hats off.
All eyes on me, me, me,
As I'm riding on that b-b-b-b-b-b-b-b-beat.

'Cos we got the buzzin' that make your body go "Huh?"
Keep it super simple so everybody go "Duh"
And now when I tell I'm single, you be like "What?" ("What?")
'Cos I'm super hot and what not.

Mmm...
We gon' live it up
Yeah, that what's up
Mmm...
We gon' live it up
Yeah, that what's up

Don't matter how you wanna do it,
Don't mind if you're looking stupid,
All you gotta do is get into it.
Na na na na na na na na na

So what if you're looking dumb, dumb,
You know tomorrow will all be gone,
But now ain't nobody going home.
Mmm...

What's up, hold up, where you go now?
That's right, hands up, where you go now?
Lean back into it, here we go now,
Wait up, wait up, wait up,
Yeah.

What's up, hold up, where you go now?
That's right, hands up, where you go now?
Lean back into it, here we go now,
Wait up, wait up, wait up.

We gon' live it up,
Yeah, that what's up,
We gon' live it up,
Yeah, that what's up,
We gon' live it up,
Yeah, that what's up.

Mmm...
Don't matter how you wanna do it,
Don't mind if you're looking stupid,
All you gotta do is get into it.
Wait up, wait up, wait up.
Yeah.

So what if you're looking dumb, dumb,
(So what if you're looking dumb, dumb?!),
You know tomorrow will all be gone,
(Tomorrow will all be gone),
But now ain't nobody going home.
Mmm...

What's up, hold up, where you go now?
That's right, hands up, where you go now?
Lean back into it, here we go now,
Wait up, wait up, wait up.

Don't matter how you wanna do it,
(How you wanna do it?),
Don't mind if you're looking stupid,
All you gotta do is get into it.

Mmm...
