

Roller Coaster

FO&O

Just because I can't touch it
Doesn't mean I can't feel it, yeah.
Just because I can't see it
Doesn't mean it's not in the air.
I follow anywhere you are going
Even if it's nowhere
I don't care.
Just because I can't hear it
Doesn't mean it's silence.

So I'm letting go
And I'm waiting at the gage.
Yeah I'm ready now
Sorry that you had to wait.
Yeah you let it out
I won't give it away.
You making me say out loud
That you are

Taking me high up at the solar
Shooting me down to the stars in the sky.
Picking me up in your roller-coaster
I love the way it rides [x3]

You are twist in my riddle
You are rush I've been looking for.
You are the kick that I'm needing
You are the only one that I adore.

I follow anywhere you are going
Even if it's nowhere
We will get there.
I've been looking for a reason
And now that you gave it

I am letting go
And I'm waiting at the gage.
Yeah I'm ready now
Sorry that you had to wait.
Yeah you let it out
I won't give it away.
You making me say out loud
That you are

I can't explain what I'm feeling
But baby I know that it's true
Baby it's you
On my mind every minute
I never wanna be without you.
