

## Summer Love

FO&O

Cheap shades  
Fast cars  
Late nights, summer love  
Sweet lips  
Cigarettes  
People dancing in the yard  
Fake tans  
Tanky tops  
Acting rebels, standing tall  
Young blood  
Favorite song  
We got everything we want

Late nights

Favorite song  
We got everything we want

Dancing til someone starts a fight  
Deep talk and kisses through the night  
You have your body next to mine  
Late nights, summer love

We can be lovers for the night  
Loosing ourselves in city lights  
You have your body next to mine  
Late nights, summer love

Late nights  
Summer love

Lentes caros, carros vuelan  
Tardes noches, ay mi amor

Dulces labios, el cigarro  
Hasta arriba vamos hoy  
Faldas cortas, no le importa  
à las sifrinatas hoy  
Anda cool esta sobrao  
Ese chamo esta pillao
