

Thirsty

FO&O

Thirsty
Straight heatwave in the club
We're 'bout to set it off
Crack a window it's too hot

On the streets in - in my car
Fi-fight wherever you are
Hot damn girl too far

Too far
4:30 light turn out
Need a hot date or babe
I might pass out
Drink it's all water with
pretty bright eyes
Full on cotton mouth
when I shout out

Hand me another one (Thirsty)
Parties of every young (Thirsty)
Love when you put it on (Thirsty)
Pour it up
Got me real thirsty
Love what you do to me (It's so thirsty)
Getting real sweaty (I am so thirsty)
The way that you move your body (Thirsty)
Pour it up (Pour it up)
Got me real thirsty

Just drops left in my car
I'm parched babe fill me up
Straight fast lane can't stop
Don't stop

Dry season rivers run dry
Diss is style
Not a single cloud in the sky
Sun is out bring a side
for sore eyes
All the guys making threats
go bye bye

Hand me another one (Thirsty)
Parties of every young (Thirsty)
Love when you put it on (Thirsty)
Pour it up
Got me real thirsty
Love what you do to me (It's so thirsty)
Getting real sweaty (I am so thirsty)
The way that you move your body (Thirsty)
Pour it up (Pour it up)
Got me real thirsty
Got me real
Let's go

Hey yeah
Hand me another one (Thirsty)

Parties of every young (Thirsty)
Love when you put it on (Thirsty)
Pour it up
Got me real thirsty
Love what you do to me (It's so thirsty)
Getting real sweaty (I am so thirsty)
The way that you move your body (Thirsty)
Pour it up (Pour it up)
Got me real thirsty
