Intro

Foogiano

It's the new 1017, we iced out like a glacier
This the introduction to the streets or the mayor
Trappin but I'm rappin but I used to be a taker
Disrespect the mob my nigga, you gone meet your maker
Gucci told me hit the gas, so bitch I broke the pedal
Lil bitch I'm on fire, I'm hot as hell, bitch I'm the devil
My niggas they on them Percs, they rock out heavy metal
Wanna ride the wave, then that's your best bet boy you better

It's the new 1017, it was just me and wok
Time is money bitch, you see the diamonds in my clock
It's the mayor, bitch I'm here and I will never flop
Told y'all niggas I was coming, yeh I had to drop
Y'all put the mob with 1017, y'all fucked up now it's over
Lil bitch I'm a glacier, my flow cold like Nova Scotia
Anybody in my way bitch we gon' run 'em over
Just because that bitch was bad I fucked her on the sofa
I ain't got no time to play I came in with the dope
Nigga talk that dirty talk, I clean his ass like soap
Bring your ass out then it water, hot head make it float
Bitch I ain't Lil Yachty but my jewelry cost a boat, ho
That bitch wanna talk, don't wanna talk you get a facial
We know [?] passed all the jugg and your bi' he gone face it
Yeah bitch we be ballin, Indiana we ain't pacers
Yeah bitch this the real deal, all you pussy niggas fakers

It's the new 1017, we iced out like a glacier
This the introduction to the streets or the mayor
Trappin but I'm rappin but I used to be a taker
Disrespect the mob my nigga, you gone meet your maker
Gucci told me hit the gas, so bitch I broke the pedal
Lil bitch I'm on fire, I'm hot as hell, bitch I'm the devil
My niggas they on them Percs, they rock out heavy metal
Wanna ride the wave, then that's your best bet boy you better

Hundred thousand dollars in my mouth I need to stop
It's another fifty if you wanna add my watch
On my 'fits another twenty, you can try to plot
Imma hear you coming, I put fifteen in my rocks[?]
Yeh he talk that gangster talk but talk on he gone choke
Hit the gas down in that hemi screaming, make it do high notes
It's the mayor nigga, bet I got your bitches vote
Ain't no re-election, yeah, 'Giano here forever, ho
Bitch it ain't for fame, I ain't a game we ain't the same
All y'all patrick rappers keep it distant, keep it lame (don't try to come o
ff in my lane)
I don't want no features what's it, we don't fuck with lames
Mob don't do explaining, bitch we just start taking names
(We gone take that nigga name)
It's the new 1017, the coldest of them all (bitch we the coldest)
Ice on top of ice, I see your diamonds boy they fraud
He wanna approach me but that boy don't got the heart
I took over 2020 and it's just the start

It's the new 1017, we iced out like a glacier
This the introduction to the streets or the mayor
Trappin but I'm rappin but I used to be a taker

Disrespect the mob my nigga, you gone meet your maker
Ho
It's the mob, nigga, it's Gutta Baby
Long way for y'all niggas, long rest of your life
'Cause I'm here and I ain't going nowhere
Ho, ho, ho, ah
That intro of the mayor
Get your bitch pussy n*gga, I'ma slay her
Ice, ice, ice
You know I'm a player, it's the mayor nigga, mob
Authentic or nothin'
