I been gutta since a jit, my Momma told me I was wrong
Kicking doors and blowing strong, bitch I had that chrome
Yeh I snatch her up and give her bone, then she carry on
It's the mayor and I rep the mob, this shit in every song
Let a nigga try us and he ain't the mob, he gone get gone
Ten on his dome, have him hiding in his home
Bitch, we gutta gang gorillas and we stomp shit like the yard
Oh it's SpiffoMadeIt bitch, ain't nothing fake, ain't no facade

I was 14 when I got jammed on that lick
I was 15, I met my Daddy after I did my bid
I was 16, I moved to Athens then I met my brother
I was 17, was toting fire don't try me like no sucker
I was 18, kicking doors yeh that was my hussle
I was 19, I had fucked everybody's sister
I was 20 when I got the Molly, dumb ass got her pregnant
21 went down the road, they sent my ass to prison
22 sitting in the pen, I couldn't get no mail
I was 23, trappin' in that pen I had soup for sale
I was 24, they let me out, bitch we made the mob
I was 25, you heard my shit in everybody car
Now I'm 26, it's 2020 and bitch I'm a star
Mob! Ha! Ha! Ho!
Nigga talking all that big shit, eat his ass like caviar

I been gutta since a jit, my Momma told me I was wrong
Kicking doors and blowing strong, bitch I had that chrome
Yeh I snatch her up and give her bone, then she carry on
It's the mayor and I rep the mob, this shit in every song
Let a nigga try us and he ain't the mob, he gone get gone
Ten on his dome, have him hiding in his home
Bitch, we gutta gang gorillas and we stomp shit like the yard
Oh it's SpiffoMadeIt bitch, ain't nothing fake, ain't no facade

Ice, ice ice
