

# No Mercy

Foolio

Bands on me nigga but this ain't no fuckin rap money  
Blooded to the bone but cut a nigga if he act funny  
Tree top what I'm bangin you diss on that you get stepped on  
Chuck got hit all in his shit he shoulda had a vest on  
Say she from da drive but I'm thinking this lil hoe like me  
I love creep hoes man I swear that shit there excite me  
Shots all in my car yeah them niggas they tried to snipe me  
But I caught up with lil wheezy and bust his shit to da white meat

No white flag just toe tags we give em out like a donation  
You ain't never caught a body you ain't never put in work you ain't got in n  
o chases  
Mask on so when I drop the tint and go slide you don't see no faces  
I remember fighting them court cases I'll turn a nigga to a cold case  
Same young nigga was red flaggin in middle school  
Free my nigga tek out the bounty cuz yeah he a killa too  
I'm smokin on this Steve but it's hittin like some gorilla glue  
Lurkin all night I might pop me off a lil jiggaboo  
He don't do what I say send a nigga to yahweh  
Dat choppa on da seat in case we meet up on the highway  
All up in da bity it's on me in the millenia  
I quit going to work I was robbin to get my figures up  
Niggas killed my sister trynna put they set to rest I'm so fuckin 20 k might  
get that tatted on my neck  
I ain't goin our like t after that just add a d  
When I catch up to la brix ass imma put his ass to sleep  
I was slidin thru outeast tryna handle up some business  
3 in his back put 1 in his jaw go see da dentist  
You ain't even handle up man you told the crackers who did I only lived to t  
ell the story kuz I jammed up and start clickin

Smash the gas on em' fuck it  
It's 2014' I'm switching lanes in the bucket  
I got my duece five and my thirty two thuggin'  
Pull up on the 6 get it lit this shit bussin'  
I'm so 23k shoot you straight up on yo face  
He running from that Tommy left him hanging on that gate  
Should of seen that boy reaction when we took him on that chase  
Took a piss in Melvin park that shit sweeter than some cake (bitch ass nigga  
s)  
Bullets hittin they ducking them opps pussy we fuckin em'  
Might pop up at your house right when you think that shit comfortable  
Do magic with this ratchet turn a human to a vegetable  
Can't set me with no hoe soon as I see the bitch I'm stretching her  
Can't recognize his face he got ID'd by the news  
Big six from the bricks bitch I'm mr. make the news  
Six I'm living reckless in your section breaking rules  
I just fucked a opp bot that shit wetter than a pool

Bands on yo head drop that bag we gone make sure it hurt  
Take the stock off that ar we gone see how that shoulder work  
Taking losses back to back lately I've been trying to chill  
Just looking for a reason boy don't make me jump back in the field it's a ki  
ller season where I'm from come you getting killed  
I slide to mercy drive but y'all won't dare step up to Jacksonville  
Bitch it can get wicked if you wanted to  
I'm smoking on the Steve but this shit hitting like gorilla glue

Better use your brain stay in your lane before we get rid of you  
Nigga killed me cousin when I catch him imma spill em' too  
I ain't trying to talk I'm trying to slide so you know what it is  
Drop the window with no tint hip out and imma spin the Benz  
I'm tryna run down nigga don't put your gun down  
Nigga you hearing one sound blatt-a-tat that's that gun sound  
If I call up dre he bring the k I'm tryna dirt his face  
Siding in and out of state nigga every fuckin day  
Head honcho gang you know what the game is  
All my young niggas they be bangin  
Fuck around leave a nigga brainless  
He got ID'd by his shoes he was nameless  
Yeah he was nameless  
Had to his that pussy nigga with that stainless

Bands on me nigga but this ain't no fuckin rap money  
Bleeding to the bone but cut a nigga if he act funny  
Tree top what I'm bangin you diss on dat you get stepped on  
Chuck got hit up all in his shit he shoulda had a vest on  
Say she from da drive but I'm thanking dis lil hoe like me  
I love creep hoes man I swear that shit there excite me  
Shots all in my car yeah them pussies they tried to snipe me  
But I caught up with lil wheezy and bust his shit up to da white meat
