

It's like, it's like, we live young, like...
(Beats on the track, boy)
We already been here before so, like
(Head South for them vibes)
This shit crazy
It's like everything I go through like I been through it before like
when shit gon' ever stop?
Scarred 4L

I'm sorry, I can't love you no more
Heart broke, you can't hug me no more
I'm sorry, I can't trust you no more (6)
Karma real, you can't cut me no more
I'm sorry, I can't love you no more
Envy broke us apart, you can't hug me no more
You was my brother about you I'd go to war (Go to war)
Pistols popping, bodies dropping on the floor (Baow, baow)

I made that call, a body fall, you won't get away (Get away)
Drive with the beam, AR-15, that shit'll end your day (End your day)
Six got religious 'fore he slide, I told lil bro to pray
And I don't wanna hurt no more, just wipe my tears away (Tears away)
.40 got a 30 stock, come with the K (With the K)
Make us wet yo' fucking city if you speak on 8 (Wet yo' fucking city)
Wake up in my feelings, I wanna die today (Die today)
Boy, this life shit get hard, I wanna fly away (Fly away)

I'm sorry, I can't love you no more (Love me no more)
Heart broke, you can't hug me no more
I'm sorry, I can't trust you no more (I'm sorry)
Karma real, you can't cut me no more (Cut me no more)
I'm sorry, I can't love you no more (I'm sorry)
Heart broke, you can't hug me no more (Hug me no more)
I'm sorry, I can't trust you no more
Karma real, you can't cut me no more
I'm sorry, I can't love you no more (6)
Envy broke us apart, you can't hug me no more
You was my brother about you I'd go to war (You I'd go to war)

6

I swear to God bruh, everything I been through
I just be thinking in my feelings like, damn, am I gon' ever win?
Top Conniver, I just play my role, do it harder
One day I'm gonna be able to say I been through all that, I did all that
and it's stamped
