

## Stranded & Abandoned

Foolio

(You know this a priority)  
(You never seen me run)  
Hello  
Ma  
What?  
I'm just calling you to tell you I love you  
What you doin'?  
Why you call me like that? Scare me like  
'Cause, you know me, I be on drugs, I'm stressin', Percocets, weed, you know  
I love you though  
Where y'all at?  
I love you  
You know your son the sole survivor, top conniver, ma  
You don't gotta be scared  
It's a long, long road (6)

I'm runnin' from them blue lights, ain't duckin' from no gunfight  
Told my mama, "Pray for me, your baby live that slum life"  
I need GPS for my dogs I lost that I can't get back  
I was posted on the 6 all day, livin' that bum life

They left me stranded, abandoned (We was out there for real, bro, I swear to God)  
6, huh, yeah  
They left me stranded, abandoned (Put our life on the line, 24/7, every day)  
Uh, 6, huh, yeah

Jumped in the water with no heart, swimmin' with them sharks (With them sharks)  
Made mistakes, but learned from my mistakes, I had to play it smart (Play it smart)  
Got dealt the worst hand, but I learned how to play my cards  
Learned about the robberies, the home invasions, stealing cars  
Cojack told me I'm a star, Trey D told me I'm a star  
Dot told me I'm a star, treacherous, we thuggin' hard  
I ain't gon' see him 'til I'm forty, they need to free Janard  
He caught twenty when he was twenty, that shit broke my heart (Broke my heart)  
Jug died in front my face and that shit left me scarred (Left me scarred)  
Tryna bring my hood together, but this shit break us apart  
I told your ass to play your part, told you 'bout the foreign cars  
I told you 'bout the pounds, shit, I told you we was trappin' hard  
You ain't wanna listen, kept my distance, saw the change in you (Change in you)  
Even though you crossed me, I swear, bro, I won't change on you (Change on you)  
Even though you crossed me, bro, I don't even put the blame on you (The blame on you)  
My heart too fuckin' big, bro, I swear that's just what love'll do

They left me stranded, abandoned (Cold, it was real cold, they left me out there)  
6, huh, yeah  
They left me stranded, abandoned (We were thuggin' all night, we could've, we could've been lost our life)  
Uh, 6

It wasn't always foreign bitches, stolo Mercedes-Benzes  
I swear we had this bitch so long, they gon' think we rented  
First day we bought them stolen cars, thirty minutes later, tinted  
We forever sinning (Sinning), we forever spinning (Buh)

They left me stranded, abandoned (Yes, y'all did, yessir)

6, huh, yeah

They left me stranded, abandoned (Who I'm 'posed to pay back? Who I owe some  
thin'?)

Uh, 6

Y'all left me out there

We was thuggin', nigga (Y'all left us out there)

Ain't nobody never show us love
