Whip Bump

Foolio

Okay whip bump
I don't fuck with niggas like I'm Trump
My lil bitch, she hotter than the sun
Stole her heart, Tay-K I'm on the run
I like percs
Guns
We love shootin' opps up 'cause it's fun
Boy you broke as fuck, ain't got no funds
I'm the shit like number two, but number one

I got ten video vixens on my cock
I got thirty hollow tips all in my glock
I could've been a janitor, stay with my mop
And don't asking me about ol' boy, he with the opps

SRT switch lanes, this bitch got horsepower
If you diss on us, made bullets rain shower
Looking down on broke boys, I'm on the tall tower
We finally rich, now the world ours

Okay whip bump
I don't fuck with niggas like I'm Trump
My lil bitch, she hotter than the sun
Stole her heart, Tay-K I'm on the run
I like percs
Guns
We love shootin' opps up 'cause it's fun
Boy you broke as fuck, ain't got no funds
I'm the shit like number two, but number one

10K for designer new Balencies
We in M.I.A on yachts and jetskis
Know that little boy mad, his bitch wanna fuck me
I stay with that Drake like, "Keke, do you love me?"

Okay whip bump
I don't fuck with niggas like I'm Trump
My lil bitch, she hotter than the sun
Stole her heart, Tay-K I'm on the run
I like percs
Guns
We love shootin' opps up 'cause it's fun
Boy you broke as fuck ain't got no funds
I'm the shit like number two, but number one
