Fools Garden

I need some inspiration  
A source that pushes me  
A brand new perspective  
An activation key  
I'm so set in my ways  
I'm bored of every  
Thing that comes to my mind  
I'm tired as can be

I'm talking 'bout  
Big, big boys  
From time to time they need a little kick in the pants  
Big, big girls  
Occasionally come along with helping hands (yeah)

The radio is playing  
The same songs all the time  
They stick in the rotation  
Send shivers down my spine  
I don't feel connected  
I'm lost in lethargy  
Terribly neglected  
I guess I need a therapy

I'm talking 'bout  
Big, big boys  
From time to time they need a little kick in the pants  
Big, big Girls  
Occasionally come along with helping hands (yeah)

An hour in the shower  
I got no energy  
Oh god I miss the power  
Will she come back to me?

Big, big boys  
Climb up a mountain  
Big, big boys  
They run to the sea  
Big, big boys (doo, doo, doo, doo, doo)  
Won't you turn me on?
