

Innocence

Fools Garden

So many thoughts in my head
I don't know where to begin
Can't find the words to describe
Cannot explain what I mean
We're not the same anymore
We have lost our innocence

Well you have opened the door
And pushed me into the night
I step around in the dark
And search for ways I can't find
My head is humming my love
We have lost our innocence

Now the rains set in
And it makes me wonder
And the storm begins
I can hear the thunder
I can hear what you say
But I don't understand
I can read in your eyes
Like the back of my hand

Gimme, gimme, gimme...
Gimme, gimme, gimme...
Reason to live

Give me the colours I need
To paint this desolate sky
I'm running out of control
Because the longer I try
To cut the wires in me
I fear the consequence

You put your hands on my face
Show me the easy way out
But I am too yellow and weak
Can't get my feet on the ground
I'm so in trouble my love
But you are innocent

Now the rains set in
And it makes me wonder
And the storm begins
I can hear the thunder
I can feel what you say
But I don't understand
I can read in your eyes
Like the back of my hand

Now the rains set in
And it makes me wonder
And the storm begins
I can hear the thunder
I can hear what you say
But I don't understand
I can read in your eyes

Like the back of my hand

Gimme, gimme, gimme...

Gimme all your love

Gimme, gimme, gimme...

Reason to live
