

# He's Dead Because Mommy Killed Him

For All Those Sleeping

No one can hear you scream  
Don't ever fall asleep  
He'll pull you underneath  
You're dying in your dream

He's closing in and you can't get out  
But you can't give in  
Just please don't go  
Up the walls, up the walls

No one can hear you scream  
Don't ever fall asleep  
He'll pull you underneath  
You're dying in your dream  
Just open, open your eyes one last time  
No one can hear you scream  
You're dying in your dream

Doll up as if you were dying  
This isn't real, you are not real  
Doll up, your friends have been waiting  
This isn't real, I cannot go  
Up the walls, up the walls

No one can hear you scream  
Don't ever fall asleep  
He'll pull you underneath  
You're dying in your dream  
Just open, open your eyes one last time  
No one can hear you scream  
You're dying in your dream

Rest your eyes  
I have been waiting, always waiting  
If you don't wake up screaming  
Then you won't wake up at all  
If you don't wake up screaming  
Then you won't wake up at all

No one can hear you scream  
Don't ever fall asleep  
He'll pull you underneath  
You're dying in your dream  
Just open, open your eyes one last time  
No one can hear you scream  
You're dying in your dream
