

It's Not Over Yet

for KING & COUNTRY

They are inside your head
You got a voice that says
You won't get past this one
You won't win your freedom

It's like a constant war
And you want to settle that score
But you're bruised and beaten
And you feel defeated

This goes out to the heaviest heart

Oh, to everyone who's hit their limit
It's not over yet
It's not over ye-et
And even when you think you're finished
It's not over yet
It's not over ye-et

Keep on fighting
Out of the dark
Into the light
It's not over
Hope is rising
Never give in
Never give up
It's not over

Yea-et-et, woah
Yea-et-et, woah

Oh, game set match
It's time to put it in your past, oh
Feel the winter leavin'
It's redemption season
Long live the young at heart (Here we are)
Cheers to a brand new start (Here we are)
We're revived and breathing
To live a life of freedom

Oh, to everyone who's hit their limit
It's not over yet
It's not over ye-et
And even when you think you're finished
It's not over yet
It's not over ye-et

Life is a race we run
So run till the race is won
Don't you ever give up (Here we are)
Oh no never give up (Here we are)
Life is a race we run
So run till the race is won
Don't you ever give up (Here we are)
We will never give up (Here we are)

Oh, to everyone who's hit their limit

And even when you think you're finished
It's not over yet
Oh, to everyone who's hit their limit
It's not over yet
It's not over ye-et
And even when you think you're finished
It's not over yet
It's not over ye-et

Keep on fighting
Out of the dark
Into the light
It's not over
Hope is rising
Never give in
Never give up
It's not over

Yea-et-et, woah
Yea-et-et, woah
Yea-et-et, woah
Yea-et-et, woah
