

# This Is Love

for KING & COUNTRY

It was like a movie  
When I first met you  
The moment moved me  
I still remember  
Your soul of beauty  
It stole me away, away

Richer or poorer  
Better or worse  
Could we be together  
Could we make it work  
If love is patient  
And if love is kind  
Oh God, give me a sign

You've got me thinking  
This is love, this is love, this is love that I'm feeling  
This is love, this is love, this is love I believe it  
I'll kiss you only  
Darling, I promise  
To hold you gently  
And still be the strongest  
I'm yours completely  
No matter what comes our way  
I'll love you til the end of my days  
Til the end of my days

Could've never imagined  
We'd find each other  
A classic romantic  
Of unlikely lovers  
Some kind of magic  
How two can turn into one, to one

For rich or poor  
Better or worse  
We'll be together  
Yeah, we'll make it work  
Love is patient  
I know love is kind  
Thank God I saw the sign

Till the end of my days  
Till the end of my days

Run, run, run, run with me  
As one, one, one, we will dream  
Of a beautiful love mystery  
So run, run, run, run with me

Till the end of my days  
Till the end of my days

Till the end our days  
I'll love you til the end of our days  
Till the end of our days
