

Fist Fight

For the Fallen Dreams

Fight, fight, fight, fight for what is right.
It's not my fault that I'm like flies to a light.
I've said it before.
I'll say it tonight.

I'll break your neck, jaw, teeth in a fight.
Don't temp me,
I know that I'm right.
I'll never let you bitch out, or our of my site.

It's not unheard that I stand by my word by
Giving you everything that you deserve.
I will give you everything that you deserve.
You don't deserve anything you don't deserve.
You don't deserve anything you don't deserve.

I'll bury you underground.
I'll bury you underground.
I'll bury you underground.
I'll bury you underground.
Give up.
Give in.

I'm ready to win.
I'll wipe that shit-eating grin right off your face until the day.
I will make it know that it's not okay.
Fight, fight, fight, fight for what is right.
Ya gotta fight, fight, fight for what is right.
Fight, fight, fight for what is right.
Ya gotta fight, fight, fight for what is right

I will give you everything that you deserve.
I will give you everything that you deserve.

Fight, fight, fight, fight for what is right.
It's not my fault that I'm like flies to a light.
I've said it before.
I'll say it tonight.

I'll break your neck, jaw, teeth in a fight.
Don't temp me,
I know that I'm right.
I'll never let you bitch out, or our of my site.

It's not unheard that I stand by my word by
Giving you everything that you deserve.
