

Without You

For the Fallen Dreams

It's magnetical, not so radical
Love magnetical tearing flesh and bone
Metaphysical, it's so critical
Just so typical without you

Write it in the stars
Our destination unknown
Underneath it all
Uncovered to engrave in stone

Uncovered to engrave in stone

I'm so discontent
Knowing time can't bend
The remembrance
Of the time we spent
But so fortunate
And it's permanent
Just acknowledgement
Without you

Write it in the stars
Our destination unknown
Underneath it all
Uncovered to engrave in stone

Uncovered to engrave in stone
Without you

Write it in the stars
Our destination unknown
Underneath it all
Uncovered to engrave in stone

Write it in the stars
Our destination unknown
Underneath it all
Uncovered to engrave in stone
