

The Breaker's Commission

For Today

Life

Love

Forgiveness

Acceptance

Stripping demons right off my back trying to leech life off me.

Get off me and feel my Father's fury, Oppressor!

One day you'll feel the full blast of His vengeance, Beelzebub,
but for now

I'll love.

Cause I got strength.

He blew courage in my backbone.

Now I'll stand straight and militant lining up in Jehovah's bat
talion,

knowing you can't challenge him so we march forward.

Swift as eagles, set like talons ready to grip souls from your
grass,

slick snake in the grass, my Lord sees you and vengeance is his

.

But for now I retaliate,

propelled by a holy mandate to heal 'cause I know how bad it hu
rts.

Full of madness at first but now

gladness bursts out the seams of our beings 'cause we overflow
with the oil of joy

the ointment of the anointed

mending any torn soul

healing any broken bone

He is here.

He was there.

He is peace.

He is faithful.
