

I'll Get Even with You

Foreigner

You gave it to me real low
You gave me such a low blow
You caught me with my guard down
You floored me in the first round

You gave it to me real low
You gave me such a low blow
You hit me on the blind side
You took me for a big ride

But I won't let it get to me
I couldn't go through all that
No, I won't let it get to me
I'll try and hold it all back

And get even with you
I'll get even with you
Yeah, I'll get even with you
You'll get what's comin' to you

You gave it to me real low
You give me such a low blow
You kick a man when he's down
You kick him when he's on the ground, yeah, yeah

You gave it to me real low
You give me such a low blow
You got me in a tailspin
You really tried to do me in

But I won't let it get to me
I couldn't go through all that
No, I won't let it get to me
I'll try and hold it all back

But I'll get even with you
I'll get even with you
Hey, I'll get even with you
You'll get what's comin' to you

I'll get even with you, I'll get even with you, wait 'n' see
I'll get even with you, I'll get even with you
I'll get even with you, I'll get even with you
I'll get even with you, I'll get even with you
You'll get what's comin' to you
