

# I Choose You

Forest Blakk

I love the way your hair gets in your eyes  
And I love the way that you can't tell a lie  
You're an angel and I can't believe you're mine  
Nothing ordinary, you're extraordinary

Pretty good at being wrong for my whole life  
But with you, I know there's one thing I got right

On days when it's easy, on days when it's hard  
Don't have to be nervous, just fall in my arms  
My love is a sure thing that you'll never lose  
No matter what this life puts us through  
I choose you

It's the way you make me wanna say these words  
The way that you still want me at my worse  
If somebody says I'll be here, darling, for better or for worse  
It ain't momentary, so

On days when it's easy, on days when it's hard  
Don't have to be nervous, just fall in my arms  
My love is a sure thing that you'll never lose  
No matter what this life puts us through  
I choose you

I do, I do, I do  
I choose you  
I do, I do

On days when it's easy, on days when it's hard  
Well, I promise it's worth it, just fall in my arms  
As long as my heart beats, I swear that it's true  
No matter what this life puts us through  
I choose you

I do, I do, I do  
I choose you  
I do, I do, I do  
I choose you
