

## Oh Santa

Forest Blakk

I know you know who's naughty and who's nice  
So I spent the whole year doing the good things twice  
I did all of my chores and even more  
There's a lot things that I could ask you for  
Yeah, there's a lot of things that I could ask you for

Oh Santa  
I'm writing to see  
If I give you all my pennies  
Could you do something for me?  
Oh Santa  
It'd mean the world to me  
If you could leave my mom a present  
Underneath the Christmas tree

I know that you remember what she likes  
Cause her name was on your list, once upon a time  
But I wrote a couple things down just in case  
She loves jewelry, and chocolate, and pretty flowers make her d  
ay

Oh Santa  
I'm writing to see  
If I give you all my pennies  
Could you do something for me?  
Oh Santa  
It'd mean the world to me  
If you could leave my mom a present  
Underneath the Christmas tree

I know you're busy flying round the world  
Spreading joy and cheer to every boy and girl  
But if you're running out of room inside your sleigh  
You can give her all my presents, that's okay

Oh Santa  
I'm writing to see  
If I give you all my pennies  
Could you do something for me?  
Oh Santa  
It'd mean the world to me  
If you could leave my mom a present  
Underneath the Christmas tree  
And if you have any presents left  
Could you leave one there for me
