

Sideways

Forest Blakk

I'm a lover
She's a fighter
She's got my heart in tow
I'm the fire
She's the lighter
And I'm never gonna let her go

She's a diamond
The sun on the horizon
Yeah, she's my rolling stone
And it's a long way to fall
When you're falling in love
But there's something that you gotta know

Yeah oh
That it might go sideways
Yeah oh
But babe, I don't mind if
We burn, we fly, we crashin'
We're up so high in everlasting love
Yeah oh
But it might go sideways

She's a saint
And I'm a sinner
With a heart of gold
I'm a lost cause
With my own flaws
And she's my way back home

Under and over
Like a roller coaster
Riding through the highs and lows
Cause it's a long way to fall
When you're falling in love
But there's something that you gotta know

Yeah oh
That it might go sideways
Yeah oh
But babe, I don't mind if
We burn, we fly, we crashin'
We're up so high in everlasting love
Yeah oh
But it might go sideways

Ways ways ways ways ways
It might go sideways
Ways ways ways ways ways
It might go sideways
Ways ways ways ways ways
Yeah, it might go sideways
Ways ways ways ways
It might go sideways

Yeah oh
That it might go sideways

Yeah oh
But babe, I don't mind if
We burn, we fly, we crashin'
We're up so high in everlasting love
Yeah oh
But it might go sideways

Ways ways ways ways ways
It might go sideways
Ways ways ways ways ways
It might go sideways
