

DC Classics Medley

Forever In Your Mind

Mirror, mirror on the wall
Who's the baddest of them all?
Welcome to my wicked world, wicked world
We're rotten to the core

Don't wanna stop, give up
I want it all 'cause I just ain't had enough
Keep up, we're gonna show the world
That there's just no stopping us
No one can hold us back, we're gonna break the rules
Can't hold us back, we're gonna light the fuse in us

I'm living on the wildside, wildside
No telling what I might find, might find
No stopping 'cause it feels right, feels right
I'm living on the...

On the wildside, wildside
So ready, now it's my time, my time
No stopping 'cause it feels right, feels right
I'm living on the...

We're soarin', flying
There's not a star in heaven that we can't reach
If we're tryin', yeah, we're breakin' free
(Yeah, we're breakin' free)

We're runnin', flying
To get to the place to be all that we can be
If we're tryin', yeah, we're breakin' free
(Yeah, we're breakin' free)

More than hope, more than faith
This is truth, this is fate

And together we see it coming
More than you, more than me
Not a want, but a need
Both of us, breaking free

You're the voice I hear inside my head
The reason that I'm singing
I need to find you, I gotta find you
You're the missing piece I need, the song inside of me
I need to find you, I gotta find you

This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the lights shine on me
Now I've found, who I am
There's no way to hold it in
No more hiding who I wanna be
'Cause this is me

You better run, run, run 'cause here we come
Revvng our engines under the sun
You're cruising for a bruising

Keeping it cool, smooth and steady
Slicked back hair, man, things are getting heavy
You're cruising for a bruising

Don't stop, stop the music
We ride fast like a bullet
We do anything we want, anytime we want
Oh yeah, oh yeah
We just ride, ride, ride all day
We're not gonna live any other way
Oh, we're not gonna live any other way
Not gonna live any other way
