

Let Go

Forever In Your Mind

Visions of moonlight
Oceans and night skies
Thought we were alright
Remember the sunny days
When we used to be okay
But now the battlefield's cold at night

Keep telling me that I'm not good enough
I'm falling in
You're falling out of love
The walls are closing in
We're out of time
But you keep pushing me to give it up

I'm drifting away
You tell me I can't change
I'm drifting away
This feeling I can't escape

We're crashing
We're breaking
We're too far apart
I'm here to stay
Don't feel like...

I'm drifting away
So tell me, tell me
Cause if I let go, I'll let go
Cause if I let go, I'll let go
Cause if I let go, I'll let go

Sun rise and open wind
Back to the day we met
This isn't over yet
We fight just to fall asleep
Forgetting the memories of things that we used to be

Keep telling me that I'm not good enough
I'm falling in
You're falling out of love
The walls are closing in
We're out of time
But you keep pushing me to give it up
I'm drifting away
You tell me I can't change
I'm drifting away
This feeling I can't escape

We're crashing
We're breaking
We're too far apart
I'm here to stay
Don't feel like...

I'm drifting away
So tell me, tell me
Cause if I let go, I'll let go

Cause if I let go, I'll let go
Cause if I let go, I'll let go

No more crying, no more lying
I'm sick of trying all alone
If your down, then I'm ready
If you want me here, then just let me
If were done, then let's just be friends

I'm drifting away
You tell me I can't change
I'm drifting away
This feeling I can't escape

We're crashing
We're breaking
We're too far apart
I'm here to stay
Don't feel like I'm drifting away
Cause if I let go, I'll let go
