

X Did

Forever In Your Mind

I'm sorry
Haven't picked up when you call me lately
Just know that I've been thinking 'bout you daily
But not how I want to, no
Yeah something's been missing

(Oh-way oh-way)
Feeling pressure from intentions
(Oh-way oh-way)
In different perspectives
(Oh-way oh-way)
Heavy hearted, what do I do now?

Cause you don't make me laugh
Like my X did, like my X did
It's tearing me in half
Like my X did, makes me so sick
Comparing you is wrong
But love's not fair at all
Cause you don't make me laugh
Like my X did, like my X did

Well I'm sorry
I've been dodging the truth for a minute
Running out of reasons to just roll with it
I'm surrounded by all your calls
Yeah something's been missing

(Oh-way oh-way)
Feeling pressure from intentions
(Oh-way oh-way)
In different perspectives
(Oh-way oh-way)
Heavy hearted, what do I do now baby?

Cause you don't make me laugh
Like my X did, like my X did
It's tearing me in half
Like my X did, makes me so sick
Comparing you is wrong
But love's not fair at all
Cause you don't make me laugh
Like my X did, like my X did

Oh what do I do now?
What do I, what do I do now?
Oh no no no, what do I do now? (What do I do?)
What do I, what do I do now? (What do I do? What do I do?)
What do I, what do I do?

Cause you don't make me laugh
Like my X did, like my X did
It's tearing me in half
Like my X did, makes me so sick
Comparing you is wrong
But love's not fair at all
Cause you don't make me laugh

Like my X did, like my X did

Comparing you is wrong

Love's not fair, love's not fair at all
