

Fire Off A Praise

forever JONES

Hop up on your feet now, ah-ah-ah
Dance before him, dance before him
Hop up on your feet now, ah-ah-ah
Lift your hands up, lift your hands up
Hop up on your feet now, ah-ah-ah
Dance before him, dance before him
Hop up on your feet now, ah-ah-ah
Lift your hands up, lift your hands up

If God's been good to you
Fire off a praise
If God's been good to you
Fire off a praise
If God's been good to you
Fire off a praise
Fire off a praise
And watch the glory come down

Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down
Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down

Hop up on your feet now, ah-ah-ah
Dance before him, dance before him
Hop up on your feet now, ah-ah-ah
Lift your hands up, lift your hands up
Hop up on your feet now, ah-ah-ah
Dance before him, dance before him
Hop up on your feet now, ah-ah-ah
Lift your hands up, lift your hands up

If God's been good to you
Fire off a praise
If God's been good to you
Fire off a praise
If God's been good to you
Fire off a praise
Fire off a praise
And watch the glory come down

Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down
Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down

Come down, come down, come down (come down)
Come down, come down, come down (come down)
Come down, come down, come down

Fire off a praise
And watch the glory come down
Come down, come down, come down (come down)
Come down, come down, come down (come down)
Come down, come down, come down
Fire off a praise
And watch the glory come down

Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down
Hop up on your feet
Hop up on your feet
Fire off a praise
And watch the glory come down
