

Heaven

forever JONES

Ooo every time I think about it HEAVEN
I'm overjoyed and overwhelmed
See the sound I hear is more than merely humor
I know it shakes the gates of hell

I hear angles singing
Majestic are you, Lord!
Steams of glory flowing from your throne,
Always and forever you reign,
Holy Holy Holy yea yea yea oooooo!!

A place where sadness is forbidden and there are only tears of
joy
And all rocky roads are smoothed away,
Celestial being are rejoicing singing freedom song,
Along with those who've be redeemed

I hear angles singing
Majestic are you, Lord!
Steams of glory flowing from your throne,
Always and forever you reign, Holy Holy Holy

Well, oh and I can see it now
The joy and laughter
The though of your presence and the here ever after,
Oh, I said that I can see it now
Smiling faces everywhere singing holy holy holy

Angles singing
Majestic are you, Lord!
Steams of glory flowing from your throne,
Always and forever you reign, Holy Holy Holy

Oh my god is able, able, able, able, able, able
