

Just The Way

forever JONES

So you can not escape my lovin'
You can not outrun my covenant
I made a vow to chase you to the end

And it's just the way I love you
It's just the way I chase you
It's just the way I like it
The only way I know to

And I'm not leaving I'm committed
To my love there is no limit
I'm forever in it to the end

And it's just the way I love you
It's just the way I chase you
It's just the way I like it
The only way I know to

It's just the way I love you
Just the way I chase you
Just the way that I get
The only way I know to

It's just the way I am
Please take me as I am
There's no other way to say it
It's just the way I love... mmmmmmm

The only way I know to

It's just way I am
Please take me as I am
There's no other way to say it
It's just the way I love

It's the way, it's the way, it's the way I love
You can't escape, can't escape, can't escape my love
It's the way, it's the way, just the way I love
You can't escape, can't escape, can't escape my love
It's just the way, just the way I am
The only way I know to...mmmmmm
