

## Reminiscences

### Forever Slave

And obedient to Commands  
Thine eyes impose on me  
Caressed by thine scathing hands  
I fall, one more, for thee  
In storm and in darkness  
I found delight... sentenced

Slave Forever  
Entralled by the dew of blood  
That comes out with every lash

Slave Forever  
I drown in this torture flood  
In this secret stash

I vanish out of sight,  
Into nothingness...  
I shall be fhy slave forever
