

## Pieces

Forever Still

Break me and say it's for the best  
Take a piece and cover up the rest

Fine  
I won't cry  
All that was sacred has been left here to die  
And I sigh "I'm alright"  
When I'm falling to pieces  
But they're pieces of me you won't see

What if a vital piece is lost?  
Buried and hidden well by dust

Fine  
I won't cry  
All that was sacred has been left here to die  
And I sigh "I'm alright"  
When I'm falling to pieces  
Pieces you won't see

I can't save myself  
I can't save myself from me

Fine  
I won't cry  
All that was sacred has been left here to die  
And I sigh "I'm alright"  
When I'm falling to pieces  
But they're pieces of me you won't see
