

## 7 Months

Forth Wanderers

Seven months I've been knocked down, can't sleep  
I've been knocked well off my feet, but please tell me

You'll stick with me babe, you know I got  
Aw huh, aw huh  
I'll make it up  
Aw huh, aw huh  
I'll make it up

All your hair has soaked right through my sheets  
I've been lying here for weeks, so please tell me

You'll stick with me babe, you know I got  
Aw huh, aw huh  
I'll make it up  
Aw huh, aw huh  
I'll make it up

Written on your face  
It's written on your face  
I saw

Written on your face  
It's written on your face
