

## Sleeper

## Forth Wanderers

The look on you makes me want to  
Fall into a deep sleep  
Where no one knows me

My heart is way too heavy  
Take me where I'm not so unsteady  
I need, oh I need a part of me  
I can't seem to reach

I'll look for where  
My eyes won't dare  
I can't find what's wrong with me  
This, this time
