

## Doing It for the Money

## Foster the People

Just close your eyes  
We're gonna run this light  
We live our lives  
Yeah, we're not wasting time  
Baby, we lost our minds  
We're gonna get, gonna get  
Get what we can  
We're not doing it for the money  
Doing it for the money  
Doing it for the money  
Doing it for the money

Is it wrong to rock the booze?  
We gotta strike a match and light the fuse  
Now I'm never looking back  
It's time to leave the future with the past

I said it doesn't matter where I go  
I am calling all the poets in the battle  
I am shouting to the world  
Let them know that we won't  
Be afraid to step into the fight  
When you can't see the light

So close your eyes  
We're gonna run this light  
We live our lives  
Yeah, we're not wasting time  
Baby, we lost our minds  
We're gonna get, gonna get  
Get what we can  
We're not doing it for the money  
Doing it for the money  
Doing it for the money  
Doing it for the money

But if you die I'm a soldier up  
You better learn to shoot or learn to duck  
There's no retreat and no escape  
If we can dream then why are we wide awake?

I said it doesn't matter where I go  
I am calling all the prophets into the battle  
I am never going to change who I am  
I won't feel the pressure on my back  
I said it doesn't matter where I go  
I am staring down the barrel of a gun  
We are shouting to the world  
Let them know that we are  
Not afraid to step into the fight  
When we can't see the light

So close your eyes  
We're gonna run this light  
We live our lives  
Yeah, we're not wasting time  
Baby, we lost our minds

We're gonna get, gonna get  
Get what we can  
We're not doing it for the money  
Doing it for the money  
Doing it for the money  
Doing it for the money

They say don't rush  
And I'm addicted  
I don't understand it  
The winner starts kill switch  
Saying what I want to  
The pleasure comes with pain too  
Mostly it's another fight  
When it's slowly coming after you

So close your eyes  
We're gonna run this light  
We live our lives  
Yeah, we're not wasting time  
Baby, we lost our minds  
We're gonna get, gonna get  
Get what we can  
We're not doing it for the money  
Doing it for the money  
Doing it for the money  
Doing it for the money
