

## Hat and Feet

Fountains of Wayne

I'm just a hat and feet  
That's all that's left of me  
A spot on the sidewalk  
A mark on the street  
I'm just a hat and feet  
I'm just a hat and feet

You dropped a bomb on me  
I didn't even see  
Like a falling piano  
>From out of a window  
Now I'm just a hat and feet  
I'm just a hat and feet

I'm just a sitting duck  
That ran out of luck  
I'm the unhappy guy  
That didn't look up high  
I started running when I saw it coming  
It got faster and louder til I took a powder

Now  
I'm just a hat and feet  
That's what become of me  
Flat on the sidewalk  
Stuck to the street  
I'm just a hat and feet  
I'm just a hat and feet
