My Surrender

Four Letter Lie

It's a feeling kind of like the bright lights going to my head.
When all is said and done, the future is crashing down on me.
It's time to get out of here.

I never thought it'd come to this, looking for the answers.
I never thought I'd live this long to see my surrender.
Everyday you lose yourself, forget that you are someone else,
this is my surrender, my surrender, my surrender, yeah.

The only place I feel right is by your side,
But It's time to get out of here.
Waiting to find my way back to you because that's where I'm home.
Yeah, this is my surrender.

I never thought It'd come to this, looking for the answers.
I never thought I'd live this long to see my surrender.
Everyday you lose yourself, forget that you are someone else.
This is my surrender, my surrender, my surrender.

Every bridge in this town is burned, torn between what you love and l
ost.
Every bridge is burned. Never thought I'd have to do this,
But every bridge in this town is burned. Every bridge is burned.

"Yo Tai my man, whats up?"
"Aw man just feeling good right now coming home from this girls spot,

"Dude no way I'm actually on my way over there right now."
"Wait, What?"
"Yeah the same girl from the party last night."
"Yeah we were all talking to her, you know."
"Dude she's been hitting me up non stop."
"She's been doing the same thing to me, texting me all night man."
"Dude this is crazy there's no way I'm going over there."
"Man dude what the"
"Come on, come over my hot spot right now"

"That's what they say my man, you know you're my bro."
"Haha, alright man I'll see you in like 5-10 minutes I'm not even gon
na call her back."
"Yeah fuck that bitch""

I never thought it'd come to this, looking for the answers.
I never thought I'd live this long to see my surrender.
Everyday you lose yourself, forget that you are someone else.
This is my surrender, my surrender, my surrender.
