Fousheé

I'm bored, wanna be my boyfriend?
I'm bored, mush you in your forehead
I'm bored, how 'bout a little torcher?
I'm bored (I'm bored)
I'm bored, wanna be my boyfriend?
I'm bored, mush you in your forehead
I'm bored, how 'bout a little torture?
I'm bored (I'm bored)

You're so cute, but you're dumb
Look at the material, niggas give me anything I want
Writings in my thumb, I do it for fun
If it brings you pain then my job is done

And I don't wanna, I don't wanna hurt your feelings
But I really love this part
And it's a bummer, that I cannot take you serious
It's giving me a rise

No lie, the times that I cried
Now I'm doing damage, why are you surprised?
I spit in your eye to even the score
You're making me bored

Get away, get away, get away from me
Get away, get away, get away from me
Get away, get away, get away
Now come back, come back, come back, come back, back

I'm bored
