You don't wanna
Get what you give
You don't wanna
Play by the rules that you run up
Want me runnin' around
I can't figure it out
I can't figure it out

Boys don't play by the same rules that the girls do
Fuck the rules, rules, you could learn a thing or two
Mix it up, give no love, got 'em round my finger too
You could learn a thing or two, mm, mm, mm-mm

You're the one that said
You don't want feelings mixing up
Look who's switching up, my love
I wasn't asking for much, hm, hm
When I said I'ma match the love
Put a filter up, now you're mad
And you're pulling up
Guess I'm the villain, huh, hm, hm

Boys don't play by the same rules that the girls do
Fuck the rules, rules, you could learn a thing or two
Mix it up, give no love, got 'em round my finger too
You could learn a thing or two, mhm

No matter how you behave, you still get your way
Whenever I do the same, I'm number one enemy
I'll play devil's advocate and do it anyway, big masculinity

The boys don't play by the same rules that the girls do
Fuck the rules, rules, you could learn a thing or two
Mix it up, give no love, got 'em round my finger too
You could learn a thing or two, mhm
The boys don't play by the same rules that the girls do
Fuck the rules, rules, you could learn a thing or two
Mix it up, give no love, got 'em round my finger too
You could learn a thing or two, mhm
