Fousheé

I am fine  
I swear I don't mind  
Sticks and stones  
To curb my appetite  
I'll let it slide  
For the hundredth time  
I'm fine  
I'm

Fine

I'm  
Really I'm fine (Fine)  
I swear

Bed of roses  
My life is golden  
This fat wallet I'm holding  
My head on my shoulders  
Fool me once and that's your fault  
Fool me twice and you're gone  
Mama says I'm a sweetheart  
Grandma says keep your heat tucked it's

Fine

Fine, I'm fine  
Really I'm fine  
Promise I'm fine  
Fine
