

# Loved By U

Fousheé

He isn't the guy that puts in to work to win her heart  
He's more like the guy who knows his looks will get him far  
And whether she likes it or not, love will hit them hard  
Cuz he's impatient and his territory's marked

But now you're dealing with the wrong one  
No, I don't wanna be a pawn in your game  
For fools and play by your rules  
Oh no I don't wanna be loved by you

You're dropping breadcrumbs  
No, it's gunna take a whole cake  
But you wanna eat it too  
Let me take you to school  
Oh no I don't wanna be loved, I don't wanna be loved by

I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by

He isn't the type to buy her flowers or hold the door  
He takes what he wants until he doesn't anymore  
He's got a closet full of hearts. They're broken  
And he's uninvolved, yea  
I've got a hunger for control  
And I've gotta go

I'm the wrong one  
No, I don't wanna be a pawn in your game  
For fools and play by your rules  
Oh no I don't wanna be loved by you

You're dropping breadcrumbs  
No, it's gunna take a whole cake  
But you wanna eat it too  
Let me take you to school  
Oh no I don't wanna be loved, I don't wanna be loved by

I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by

He got his eye on the jewels  
Never trade diamond for fools gold  
Rather be solo than used  
He rather be solo than choose  
So focused on the vision

Dream it, then I live it  
Do it with precision  
They don't make my limits  
They don't know my business  
He think he the end  
I'm barely beginning  
I took all the scraps  
Turned it into lemons  
Pressure on my back  
But my faith in heaven  
I don't trust human  
I expand  
Save all your demands  
He say he the man, so I'm told  
I don't know  
I just  
I don't, I don't

I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by  
I don't wanna, I don't wanna be loved by
