Fousheé

Softcore

If they don't give me what I want I'll take it  
And bitch don't give me backlip, I will send you to your maker  
Sweet like sugar, angel, but I'll kill you 'bout my paper  
And you haven't seen crazy 'til you pissed off a Jamaican

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around

You see a bad bitch pull up in a fancy car  
Don't you dare be a hero, play your part  
I'll slap you in the face, I'll break your heart  
I'll take all your money and buy the bar  
Don't you dare let me hear you complaining  
I'll rob Superman, who he saving?  
I'm a superstar and I'm on my space shit  
I'll shake my ass on this spaceship

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around

Women are Venus, men belong to Mars  
Non-binary blow this bitch to parts  
This whole galaxy explodes, it's art  
I'll steal the thunder, rob you for your heart

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around

Uh, Oh!

Sim-mim-mim-mim-mimmer down, I don't, I don't fuck around
