

Light is blinding
I don't care
I don't care
Absent minded
I'm not there
I'm not there
I wore my mask
Today
I play my favorite game
I put my hands over my face
Forget my name

Rain pouring
Freezer aisle
Dollar store
Decoration
Bright smile

All of my medicine
Possibly kicking in
Possibly live again
Mad at the wind again

I'm not as stupid anymore
Black house with red door

Coming back home so late
So late
So late

Push me
Bully me
I don't care
I don't care
Absent minded
I'm not there
I'm not there
I'm not here
I'm not there
I'm not here
I'm not there
I'm not there
I'm not there
