Four knives in the drawer
Do I need more?
Who's gonna show up?

My feet feel sore, again
Wish I felt nothing
Always feel something
I feel all of it

Think about me
With lake on my back
Do you love it when I laugh?

Blue stuffed teddy bear
Looking at Mount Rainier
Reflecting on water

Four knives in the drawer
Do I need more?
Who's gonna show up?
Who's gonna show up?
Who's gonna show up?
