

Cop Light Glow

Fox Academy

Pull the blinds up its bright
Always talk so polite
Family hates when I don't
Cover body
Delight
Stay inside the whole night
Glad you love me when I don't

Cop light glow
I am darker still
I am darker still
Cop light glow
I am darker still
Oh no

Cotton love of my life
I can never think right
Eat a mouthful of stones
Bury birds in a ditch
Make decision
Then switch
I don't know what I want

Cop light glow
I am darker still
I am darker still
Cop light glow
I am darker still
Oh no
