

## Costume

Fox Academy

Dead eyed stare into nothing  
When it's time, I go numb  
I know it's you

Won't see you again  
Well not for a while  
Pay my rent  
Scrub the tiles  
I know it's you

Clothes in the dark  
Look like a human  
Beg and plead  
Please don't do this  
I'll still be here

I'll be right here
