

dark rain

Fox Academy

Here for you
Anytime
Easy like
Riding bike
Did you wanna watch the fight?
Would you rather stay inside?
Dark rain soaks right in

Here for you
For rest of life
CVS
Forever line
Mercedes Benz cologne
The clouds on our ride home
Dark rain soaks right in

In the middle
Of the country
Is it warm out
Is it pouring?
Did you whisper?
Are you calling?
Memory lapse
Swimming sewing
Dark rain soaks right in

Here for you
Rest of life
Easy breath and
Easy sigh
Did you wanna watch the fight?
Would you rather close your eyes?
Dark rain soaks right in
