Did you have the time of your life?  
If not, how can I make it alright?  
Is this really the last time?  
I want 2016 in July

I need help from myself  
I need help from above  
Oh my God it's getting late  
It's getting late  
It's getting late

I hope that I  
I hope that I  
I hope that I

I hope that I  
See you tomorrow
