Fox Academy

Is it Halloween yet?
Is there color in the leaves yet?
Is there something in your teeth? (Check)
Did my favorite team win?

What's it like to
Be just like you
Always try to
Give a ride to
Always nice to
Give my life to
I'm just asking

What do you need?
What do you need?
What do you need?

Peaceful Saturday
Hope it stays this way
No complaints from me
I just called to say

What do you need?
What do you need?
What do you need?

Is it Halloween yet? (What do you need?)
Did you get that magazine yet? (What do you need?)
Misremember dream (yeah) (What do you need?)
Did my favorite team win? (What do you need?)

Oooh
Just like you
Like you
I like to
