Am I ugly? I don't know  
Am I ugly? I don't know  
Am I ugly? I don't know

Dull grey  
Big flames  
No way  
Dark day  
Sun hits  
My face  
Warming light  
Morning like bliss  
Pose just like this  
Driver's license  
In the mist

Nothing hurts like growing up  
Nothing hurts like growing up  
Nothing hurts like growing up

Okay  
I'll wait  
All day  
Lose faith  
Okay  
I'll wait  
All day  
Lose faith

Enjoy  
Your cake  
Happy birthday

Am I ugly? I don't know  
Am I ugly? I don't know  
Am I ugly? I don't know  
I wish time would go by slow  
I wish time would go by slow  
I wish time would go by slow

Nothing hurts like  
Growing up  
Nothing hurts like  
Growing up  
Growing up
