

Broken glass spider web
I won't ask you again
Drop my phone out the lyft
Dog bloodied up my lip
Water tastes like aspirin
I'm not really askin'

Gonna sleep when I wanna
I don't really wanna go
To sleep when I wanna
No I don't really wanna know
I'll sleep when I wanna
I don't really wanna go
To sleep when I wanna
No I don't really wanna know

Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you
Stickin' out my neck for you

(Want you to be with me
Want you to wanna be with me
Want you to be with me
Want you to wanna be with me)
