

Hello?
Did I wake you up?
Should I leave and come back later?
I'll be patient, don't mind waiting

Hello?
I know it's been a long time
You know who I am, right?
I don't wanna cross line
Always weary like LimeWire

Tacoma Dome so menacing
Hoping for a miracle
But I might just let it go
Terry Rozier feeling like
3:17 AM I'm
Happy for the day and night
Happy for it all

I just wish I met you in another life, another life
I just wanna make things I love
I just wanna make a lot of money
No, I never wanna be famous
No, I don't want attention
I just wanna have a family
Wanna make memories
Wanna be wealthy, uh huh
